Dear Parent and Carer,
Annwyl Rhieni,

Pick up this afternoon...

I hope the children have had an enjoyable day in school. It was certainly lovely to chat to them and catch up with many we have not seen for a while.

As promised we will continue to evaluate pick up procedures to see how we can make it more efficient and effective.

I was very aware of the number of parents gathered at collection point 1.

In order to improve this tomorrow we will:

1. Line the children up in classes on the Junior yard (collection point 1)
2. Parents in 6GS and 5JW are invited to arrive for 3.00pm at the gates by the side of the junior building. The gates will be open at 3.00pm and parents may then walk down the steps and pick up the children from their class line and depart from the gate adjacent to the junior playground.
3. Sibling and Childminder groups will always be collected from the collection point appropriate to the youngest sibling or child minding group pupil. If there are any problems or clashes please chat to us about this.
4. Parents of children in 4TG, 3 RD , 2LN and 2JB are invited to enter via the gates by the side of the junior building at 3.15pm and then walk down the steps where your child will be dismissed to you by the classteacher.

Mr Willmore, Mrs Jenkins or myself will be at the bottom of the steps and direct you to your child's class line. Sibling groups will also be ready.

Please help us by not arriving too early to pick up and to maintain social distance.

As always when you try a new system it will take a little while to iron out problems and get into a new routine. Thank you for your patience.

I will be in touch again tomorrow after we have looked at the amendments we make. There will be tweaks as we develop the system.

Have a lovely evening.

Kind regards,

Dean Taylor
Headteacher
