Registered Charity: 1029624

About Us

Our mission:

To enhance the education of all pupils at Pentrepoeth Primary School.

We are a registered charity with a small committee of parent volunteers. We are a very active PTA who organise and run many events during the academic year. Every penny we raise goes directly back to the school.

Welcome

A warm welcome from all the volunteers at Pentrepoeth PTA.

Last year the PTA donated £5,000 to the school. The majority of the funds were used to purchase Chromebooks to enhance digital learning for all pupils. The PTA also funded the Year 6 leavers hoodies.

This year, in consultation with the school, the PTA will raise money primarily to fund workshops and art projects for the whole school.

Check out the links below to see what we are funding.

Featured Events

PTA Annual General Meeting

Thursday 23rd September 7:30pm

This year's AGM will be held via Microsoft Teams. All parents/guardians of Pentrepoeth pupils are welcome to attend. The AGM is a chance for you to meet the PTA, discuss fundraising intentions and even get involved in supporting the PTA if you wish. There is no expectation for anyone to commit, however we always need volunteers and helpers to run our events. If you would like to help in anyway or attend the AGM please email us:

Dare to be different

Friday 24th September

On Friday 24th September we have our 'Dare to be different' event. This event gives pupils a chance to show their individuality. Details to follow next week.
