Dear Parents and Carers,

After School Clubs

To ensure that everyone knows what after school provision we offer, I have attached a timetable to the back of this letter. This sets out what is on offer and to whom it is offered. I would like to take the opportunity to thank those staff and volunteers for taking the time to organise and run the clubs, without which we would not be able to offer such provision.

If your child wishes to join in any after school club, please ask them to talk to **the individual staff member responsible for running the club for a permission slip**. We will always do our best to accommodate them if there is enough space. Where this is not the case, we will do our best to find an alternative, though logistically this may not always be possible.

For everyone's safety, please note that clubs **will not be cancelled**, except in the event of an emergency. Please make arrangements for your child to be picked up from school premises (not the Friendly Fox) by a responsible person. Children will not be allowed to leave the premises alone. Children are to be picked up from the classroom of the teacher running the club, except for football, netball, rugby and running where the children should be collected from the junior entrance. Those participating in Shoot should be picked up from the main entrance at the front of the school.

Thank you for your continued support,

Yours sincerely

Dean Taylor
