Dear Parent/Carer,

Covid-19 Update

You may be aware that Welsh Government have announced that the period needed for self-isolation has been reduced from 14 days to 10.

Therefore, all children who are self-isolating only need to do so for **10 days from the first day of symptoms**. This also applies retrospectively.

Therefore, I am pleased to let **Mr Cleaves' class know that as of midnight tonight they no longer need to self-isolate as day 10 for them has passed. This change comes in to place from Thursday December 10th.**

Mr Cleaves and his class are able to return to school tomorrow as long as all are fit and well to do so. This rule also applies to any other children who are self-isolating – they can return to school on the 11th day since first symptomatic.

I have received a number of e mails regarding the final week. Newport City Council and Welsh Government have stated that schools remain open until Friday 18th December.

I would be very grateful if children could book Christmas dinner for next Wednesday as soon as possible so we are able to have an indication of numbers for the cook.

As always advice during this pandemic changes rapidly, I will keep you updated as and when I receive any further information. Many thanks for the many kind messages we as a team have received from you. Please know they are very much appreciated.

Stay safe and well,

Yours sincerely,

Dean Taylor
Headteacher
