Children attending Hub Provision from Monday 29th June 2020 Pick Up and Drop Off Changes

Dear Parent/Carer,

As you will be aware we will be increasing our operation from Monday with children returning to school. There will be a considerable increase in the number of people accessing the site.

You will know from my previous communication that we are implementing new rules for site access from Monday.

For children attending the hub the following changes will need to be implemented from Monday 29th.

- No parking on site
- Parents to walk children up the hill from Bryn Hedydd gate via the turning circle
- Pupils to enter school from the main office door and into the hall as normal
- Parents will need to follow the one- way system – walking out of the side gate – you will not be able to go back down the hill due to the one- way system
- At pick up time parents are to pick up children from the door at the back of the school hall following that one- way system in the back car park (unless permission has been given for children in years 4,5 and 6 to walk home).

I am sorry if this will cause you any inconvenience but I know you will understand our need to enforce strict safety measures.

Kind regards,

Dean Taylor
Headteacher
