

Dear year 6 parents and carers,

We hope you are all well during this strange and emotional time.

The leavers hoodies are at the printers at the moment estimated delivery date to us is the first week in July, we will then arrange for them to be delivered home to you.

Due to CoVid 19 there were implications with getting the St Basil Christmas DVDs printed promptly in the spring. We hope as things begin to change in the workplace that soon it will be possible for printers to return to work, once received they will also be delivered to you.

We therefore wanted to give anyone that didn't originally order one to do so if they wish as we know how precious this last year in primary is and empathise with how it has turned out for you all.

The concert was recorded professionally.

The cost is £12.50 only payable via Bacs

Sort code :20-60-58

Account number : 63184935

Deadline is this Friday (19<sup>th</sup> June)

Many thanks

Stay safe
