## Foundation Phase Return to 'Face to Face' Teaching

Dear Parent and Carer,  
Annwyl Rhieni,

I am now in a position to be able to provide you with some more detail regarding Foundation Phase return to face to face teaching from **Monday February 22<sup>nd</sup> 2021.**

**Reception, Years 1 and 2** will return on **Monday February 22<sup>nd</sup>**  
**New Nursery children** will start at 1pm on **Monday February 22<sup>nd</sup>**  
**Existing Nursery children** will start on **Tuesday February 23<sup>rd</sup>**

**All start and finish times remain the same** as the Autumn term.  
**All drop off and pick up points remain the same** as the Autumn term.

We have been working with Welsh Government and Newport City Council update our school risk assessment in line with updated guidelines from Welsh Government.

It is vitally important that we work together to **keep all safe**. In particular please ensure:

- Parents adhere to strict social distancing when dropping off and picking up children at the start and end of the school day.
- All parents and carers wear face coverings whilst on the school site.
- Where possible limit the number of adults picking up to one per family.
- No parents or carers to enter the school building.
- The same arrangements regarding drop off – from

Monday February 22<sup>nd</sup> all children in Nursery, Reception, and Year 1 must continue to be dropped off on foot adhering to the one way system. Year 2 children may be dropped off by vehicle and may walk to their classroom doors (staff supervision will be in place). This will also apply to older children in key stage 2 who may be using the hub facility. This is in line with the approved risk assessment.

## Lunch

Foundation Phase children will need to bring a packed lunch for the week beginning Monday February 22nd. Chartwells will re-instate the school meals service from Monday March 1<sup>st</sup> 2021. Children who are entitled to free school meals will continue to be provided with a voucher.

## Warm clothes

As part of our risk assessment it is very important to ensure windows are open for ventilation – whilst school uniform is still required please ensure children wear plenty of layers and have warm coats, hats, gloves etc.

## Hub Children

The hub provision will continue for Key Stage 2 children who have been approved by the school having met the strict criteria. It is still the guidance that children should be cared for at home (including where parents are able to work from home) where possible and that hub provision should be used as a last resort to prevent the spread of the virus. Please arrive as close to 8.30am as possible to ensure a staggered flow. **Children who attend school in hub after half term should wear school uniform, but have outdoor footwear and warm layers.**

If children in the hub have younger siblings in years 2,1 or Reception they are able to arrive in school together at 8.30am but will go to their class contact groups.

## Key Stage 2 Online Learning

Online learning will continue for Key Stage 2 pupils, commencing Monday February 22<sup>nd</sup>. In addition to the pre recorded teaching clips and other elements of provision we will be developing our 'live sessions' further.

Online safety information for parents and carers is available [here](#).

For parents who will be dropping off Foundation phase children and may struggle with getting older siblings in to Teams meetings for a 9.00am start, please do not worry – class teachers will ensure that older siblings are in group B.

## Check In, Catch Up, Check Out!

There will be three live sessions for children starting from **Monday 22<sup>nd</sup> February 2021**

**Check in – Start the week** – half hour session on a **Monday** or **Tuesday** where there is a wellbeing check in, the 'big picture' of learning for the week is talked through, teaching strategies and resources explained, tips for children, questions and answers and problems solved.

**Catch Up, Problem Solve and Motivate** – a wellbeing check in and an opportunity for children to chat directly with teachers to ask questions, solve problems and go over learning on a **Wednesday**.

**Check Out, Reflect and Celebrate Success** – half hour session on a **Friday afternoon** where there is a wellbeing check in, opportunity for children to reflect and share any learning and success

Day	Time	Year	Group
<b>Monday</b> 'Check in- start the week'	9.00am	3,4EJ,5,6	Group A
	9.45am	3,4EJ,5,6	Group B

	2.00pm	3,4,5,6	Group A
<b>Red Book Live Assembly</b>	10.30am	All Key Stage 2 children	

Please remember that children should not attend school if they are displaying any symptoms of covid-19 and that parents and carers should follow self-isolation guidance and book a test. The same procedures will be in place should a positive case be identified in school.

If a class has to self-isolate then online learning will apply including live Teams sessions.

All procedures to mitigate the spread from the Autumn term will still apply.

Thank you for your continued support as we move in to this next phase of operations. As always, if we can help in any way please be in touch.

Yours sincerely,  
Cofion cynnes,

Dean Taylor  
Headteacher
